

Robert Gallant Memorial Award

The Canadian Mental Health Association PEI Division wishes to recognize an individual who demonstrates a passion and commitment to improving the quality of life for people with mental illness.

Nominees for this award should embody the characteristics of Robert Gallant, a former colleague, friend and worker in the mental health care field.

Throughout Robert's career in mental health, he displayed boundless energy, a devotion to his work, a sense of humor and a work ethic that helped each and every one achieve their goals. One of Robert's strongest characteristics was his ability to see each individual he worked with as a person with hopes and dreams, talents and feelings, and who was capable of recovering from their mental illness.

The recipient of this award will be recognized at the 60th Annual General Meeting of CMHA-PEI Division, on October 28th, 2020. The meeting is being held virtually this year via ZOOM.

Deadline for nominations is October 16th, 2020 at 12:00 noon.
