## Supporting Children and Youth to Grieve After Suicide Loss; *A Resource Kit*

September 10th is World Suicide Prevention Day (WSPD). To mark the day, the Canadian Mental Health Association/PEI Division (CMHA/PEI) is launching a resource kit entitled, *Supporting Children and Youth to Grieve After Suicide Loss*. The kit is designed to help support parents and caregivers to have important conversations about suicide loss with children and youth who have experienced the suicide death of a loved one.

CMHA will be hosting an online Zoom event on WSPD, Friday September 10<sup>th</sup> from 12-1 pm AST to provide an overview of the kit and other support options available to those impacted by suicide loss.

Please be aware that this event will include discussions about suicide and suicide loss, and may not be suitable for all viewers, especially those under the age of 18 years. For this reason, we have asked potential attendees to **complete and submit the registration form below and submit it to CMHA at [suicideprevention@cmha.pe.ca](mailto:suicideprevention@cmha.pe.ca)** Once we receive your registration and prior to the event, we will send you a 'password protected' link so you may join the Zoom event.

### WSPD Event Registration Form; September 10<sup>th</sup>, 2021
