THE CAUSE

The Canadian Mental Health Association, PEI Division, is a community-based organization that began its work on Prince Edward Island as a division of CMHA National in 1959. Our mandate is *Mental Health for All*. Our mission is to promote the mental health of all Islanders by enabling individuals, groups and communities to increase their control over, and enhance, their mental health. To carry out this mission, our 50+ volunteers and 100+ support staff provide programs and services, education and information, research, advocacy and social policy development designed to help all Islanders improve their mental wellness.

We have offices, programming space and housing units in Montague, Charlottetown, Summerside and Alberton. All money raised stays on PEI in support of mental health programs and services for Islanders. To learn more about what we do, please visit www.pei.cmha.ca.

THE EVENT

No person or workplace is immune to the effects of mental health issues. COWS Inc. and the people who work there are no exception. The loss of a former team member to suicide inspired family, friends, and co-workers to come together and help raise awareness and funds for suicide prevention efforts in their community. From that collaboration, and through the organization's pension for parody, Moo Let's Talk was created. It's been a wonderful success raising a cumulative total of \$172,000 to date.

On March 22nd COWS is hosting its seventh annual Moo Let's Talk Day! On that day, 100% of the proceeds from ice cream cones sold at the COWS Creamery and Queen Street locations will go to the Canadian Mental Health Association, PEI Division.

Once again, COWS will host at both of their Charlottetown locations: COWs Creamery at 12 Milky Way, and their 150 Queen Street location. All 32 Moo-valous flavours of COWS ice cream will be available, and you can get yours in a cup or an ice cream cone. CMHA PEI staff will be present in stores to promote awareness of our programs and services and, more importantly, to help provide a safe space to "Talk until the COWS come home!"

Promotional efforts will start on March 8th over social media, with video content featuring Patrick Ledwell and a radio campaign starting closer to the event date. During the event, updates will be posted on our Facebook and Instagram, and a live remote with Ocean 100 will remind people to come on down and grab an ice cream cone in support of CMHA.

SPONSORSHIP & SUPPORT OPPORTUNITIES

Mental health programs and services have seen an increase in demand over the past 3 years, and COWS continues stepping up in a major way to support community-level mental health programs and services at a time when it's really needed.

We're asking community members, businesses, and organizations to support our promotional efforts for the day. COWS will provide all the ice cream cones we can sell, so we really need to make sure everyone knows about Moo Let's Talk and how to participate.
